## New 2024 Models

Now with the warmer weather is the time to head to our sponsoring dealership, Timms Harley-Davidson, to test ride the new 2024 models. I am really liking the new bodywork with the square LED unit on the Street Glide. So many new features and upgrades to look at. Also don't forget to check out new Spring arrivals at Timms and available online @ Official Harley-Davidson Online Store. Harley-davidson.com/us/en/index.html
